

**Yoseph Berhane Gebremedhin**  
**Full Stack Web Developer – E-commerce & SaaS**  
Katrineholm, Sweden  
+46 70 356 6108 - [contact@yoseph.dev](mailto:contact@yoseph.dev) - [LinkedIn Profile](#) - [GitHub Profile](#) - [Website](#)

## PROFESSIONAL SUMMARY

Full stack developer with 5+ years building and shipping production e-commerce, SaaS, and nonprofit platforms using React, Next.js, and Django. Focused on UX, SEO, and measurable business impact (sales, traffic, reach). Recent work includes launching AI and SaaS products like Klyrform and Afelu on Product Hunt, and building EcoPaws Harmony as an e-commerce business aimed for acquisition.

## CORE TECHNICAL SKILLS

- **Frontend:** TypeScript, React, Next.js, Vite, Tailwind CSS, Radix UI, React Router, React Hook Form
- **Backend & Services:** Django, Node.js, Firebase, Stripe API, Adtraction API, Mailchimp
- **Databases:** PostgreSQL, MySQL, MongoDB
- **Tools:** Git, GitHub, Vercel, Netlify, Heroku, AWS, Google Analytics, CI/CD
- **Other:** SEO Optimization, UX/UI Design, Data-Driven Development, Agile Workflow
